Conejo Valley Archers Code of Conduct

The following code of conduct applies to all archers, CVA Club members, participants, volunteers, coaches, spectators, and guests in order to promote the sport of archery in a fun and safe environment.

The code of conduct is in effect at all CVA Club activities and applies to all property, buildings, and staff of the facilities where Club activities take place.

1. Respect for all people will be shown at all times.
2. No person shall be under the influence of any substance which may impair the ability to practice archery or participate in club activities safely and in a civilized manner.
3. No belligerent, rude, unruly, threatening, bullying, or aggressive behavior either verbally, physically, or through other means.
4. No stealing, no damaging, and no tampering with property or equipment.
5. No harassment either verbally, sexually, physically, or through other means.
6. Respect for the rules of archery, proper use of the range and equipment, facilities, the laws of the land, and proper archer etiquette must be shown at all times.

Anyone breaking the code of conduct could be asked to leave the premises immediately and/or face other disciplinary actions, including revocation of CVA Club membership and privileges.

If you have questions about the code of conduct or someone's behavior, please contact a member of the CVA Board of Directors.

Waiver/Release
ARCHERY CLUB WAIVER AND RELEASE OF LIABILITY
READ BEFORE SIGNING

In consideration of being allowed to participate in any way in *CONEJO VALLEY ARCHERS INC.* events and activities, the undersigned acknowledges, appreciates, and agrees that:

- 1) The risk of injury from archery and other known and unknown events and activities and/or use of the related buildings, structures, equipment, automobiles, firearms, weapons, ATV's, boats, tree stands, roads, bodies of water, land and all other real and personal property whether owned by archery club or others is significant, including the potential for permanent paralysis and death, and while particular rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist; and,
- 2) I acknowledge and agree that the use of archery equipment, firearms and other weapons by myself or others on club premises or otherwise are inherently dangerous and high-risk activities whether such archery equipment, firearms or weapons are discharged by myself or others; and,
- 3) I KNOWINGLY AND **FREELY** ASSUME ALL SUCH RISKS, both known and unknown, **EVEN IF ARISING FROM THE NEGLIGENCE OF THE RELEASEES** or others, and assume full responsibility for my participation; and,
- 4) I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest official immediately; and,
- 5) I, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, **HEREBY RELEASE AND HOLD HARMLESS *CONEJO VALLEY ARCHERS INC.***, its officers, directors, officials, agents, employees, volunteers, members, guests, other participants, sponsoring agencies, sponsors, advertisers, and if applicable, owners and lessors of real property and personal property used to conduct the events and activities ("RELEASEES"), **WITH RESPECT TO ANY AND ALL INJURY, DISABILITY, DEATH, or loss or damage to person or property, WHETHER ARISING FROM THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE, TO THE FULLEST EXTENT PERMITTED BY LAW.**

PHOTO RELEASE Photographs and videos are routinely taken at archery events. I release the use of my image for the purposes of photographing or video-recording the events and promoting archery, but not for commercial purposes. With my signature, I agree that images of me that are taken at this event by or on behalf of the event organizer may be used without compensation or additional permission.

I HAVE READ THIS RELEASE OF LIABILITY AND ASSUMPTION OF RISK AGREEMENT, FULLY UNDERSTAND ITS TERMS, UNDERSTAND THAT I HAVE GIVEN UP SUBSTANTIAL RIGHTS BY SIGNING IT, AND SIGN IT FREELY AND VOLUNTARILY WITHOUT ANY INDUCEMENT.

Participant's Name: _____ Date Signed: _____

Participant's Signature (if over 18 years) _____

FOR PARTICIPANTS OF MINORITY AGE

(UNDER AGE 18 AT THE TIME OF PARTICIPATION) Must be Minimum of 8 Years Old*****

This is to certify that I, as parent/guardian with legal responsibility for this participant, do consent and agree to his/her release as provide above of all Releasees, and for myself, my heirs, assigns and next of kin, I release and agree to indemnify and hold harmless the Releasees from any and all liabilities incident to my minor child's involvement or participation in these events and activities and/or the use of related real and personal property as provided above, **EVEN IF ARISING FROM THEIR NEGLIGENCE.**

Name of Parent/Guardian: _____ Minor's Birthdate: _____

Parent/ Guardian Signature: _____ Date Signed _____

Emergency Phone Number: _____

Completed Waiver/Release forms should be kept on file by the club for at least 7 years and indefinitely in the event of a significant injury to this participant. Revised 9/1/2020
C 2004-2011 Sadler & Company, Inc.

Members are protected by and required to meet all requirements as stated in the Club By-Laws, including Articles III, (Membership) IV, (Rights of Members) and V, (Initiation Fees and Dues).

Membership Types/Fees are as follows:

Single Membership (18+) - \$130.00 per year with 24 work hours OR \$300 Maintenance Fee

Single Golden Ager (65+) - \$65.00 per year with 12 work hours OR \$180 (must show ID)

Family Membership - \$160.00 per year (spouses and children up to 18 yrs. old) with 48 work hours OR \$600 Maintenance Fee

Family Golden Ager (65+) - \$75.00 per year with 24 work hours OR \$360 Maintenance Fee (must show ID)

Student Membership (18-24yrs) - \$50.00 per year with 24 work hours OR \$300 Maintenance Fee (must show class registration)

Life Memberships - Honorary

- All members are required to put 4 of these required works hours towards any tournament preparation and/or support.

Fees and Assessments

- New memberships will be assessed a one-time \$10 initiation fee.
- New memberships will be prorated as appropriate for fees and assessments.
- Each membership will be assessed a \$5 key deposit. One additional key can be obtained for an additional \$5 deposit for a Family or FGA membership.
- Each membership will be assessed a Maintenance Fee. That fee can be waived for the year, by the member(s) agreeing to the parameters of a 'Working Membership', requiring specific hours of verified volunteer work, per membership, supporting the range, for the renewal year.
 1. Members are expected to honor this agreement.
 2. These fees will be held in a Maintenance Account specifically for the use of range maintenance and shall be overseen in the same matter as all other Club accounts.
- Life Memberships are exempt from all fees and assessments

Volunteer Hours

- Available volunteer work opportunities will be posted monthly on all bulletin boards, published via the Quiver, sent out by email or by any way as the Club sees fit, for proper dissemination of the information.
- All Working Memberships are required to work at least one 2-hour shift affecting one CVA hosted tournament.
- Members are required to sign in or contact the appropriate leader overseeing the area of their volunteer work completed. Leaders will decide how they wish members to communicate their volunteer hours using either sign in sheets, email or phone communication or any other process that allows the best communication possible for all concerned.
- Leaders are required to verify all submitted volunteer hours and to report these hours to the Volunteer Coordinator.
- Members are responsible for checking their volunteer hours for their membership, each month, as verified by posted hours at the Main Gate, email alerts sent out or by contacting the Volunteer Coordinator.
- All volunteer hours are required to be completed by end of the day, September 15th of each year. No credit will be given for any partial amounts under the required hours.
- The Volunteer Coordinator's assessment will be considered finalized as of September 15th and will be final.

Renewals

- Members who choose a 'Working Membership' but fail to work their required hours will be required to pay that previous year's Maintenance Fee, plus the current fee and will be set as a 'Non-Working' membership for the renewal year for a period of one year.
- Further renewals of membership will be denied if the member fails to complete their volunteer hours under a second Non-Working Membership unless the above process is followed.

I have read the above parameters for membership and renewal for the Conejo Valley Archers. I agree to abide by the rules of the club and agree to the requirements of a:

_____ Working Membership hours due = 48 24 12 prorated _____ hours

_____ Non-Working Membership

Signature _____ Dated _____

CLUB QUESTIONNAIRE

Name: _____ Date _____

Emails are used for sending the monthly Quiver newsletter, work party information and general club information. Yearly Board elections are also done by email and require at least one email. Family memberships get two votes but require two separate emails for that function. Write clearly please!

E-mail #1: _____ Phone#1 _____

E-mail #2 _____

The purpose of this questionnaire is to make better use of the individual talents and experiences of our club members, as well as acquaint members with some of the opportunities, responsibilities and volunteer duties that need to be filled in order to have a successful club. Our club members keep our club strong and our range in clean, working order.

How did you get connected to the club? _____

My occupation/business owned is: _____

My hobbies/interests are: _____

Additional talents that I have are: (such as painting, public speaking, writing, etc.) _____

I would be interested in helping in these types of areas:

_____ Food/Kitchen Chairman (coordinates purchasing and distribution of food at events)

_____ Tournament Chairs (organizes one of our club tournaments)

_____ Registration (collecting fees and scores at club events)

_____ Beautification Parties (varied ground maintenance – light to heavy duties)

_____ Event volunteer (anything from parking assistant to kitchen duty) varied time amounts.

_____ Fundraising (raffles, corporate sponsors for tournaments, banquet, special events)

_____ Other _____

You are the strength of our club. Please participate as much as possible. We will try to match your time/talents and availability to club needs. Remember we are a 501(c)(3) organization, and your volunteer time may be matched by your employer. Check with your HR department! (Amgen and Baxter are matching employers!) Thank You!

Conejo Valley Archers

Welcome

Congratulations on choosing to become a member of Conejo Valley Archers. We are very proud of our club and hope that you will make many friendships as well as find fun and relaxation during your membership.

With your initial membership in our club, you will need to attend two General Membership Meetings and be a member for at least ninety (90) days before the Board will be able to vote you in for a full membership. After acceptance by the Board, you will then be officially sworn in as a new member at the next meeting you attend. You have full range privileges from your first meeting and with the completion of your safety seminar and are considered on probation during that time.

A club can only be as strong as its membership, so in this respect we ask that you give your utmost cooperation to club officers, board members, and committee chairpersons. Please help in any way that you can. Don't wait to be asked. The club maintenance and improvements depend entirely on member volunteers who want to have a better facility to enjoy.

At Conejo Valley Archers, love for the sport of archery is one thing that we all have in common. We strive to create an atmosphere of camaraderie and support. If problems should arise, please take them to a committee chairperson, person in charge of the activity or a Board member. We are here to serve the good of the club and its members.

Always remember to conduct yourself in a mature and courteous manner. Don't be afraid to introduce yourself to anyone on the range. For your maximum enjoyment in our club, try to get to know as many of your fellow archers as possible and participate in events.

Most importantly, have a good time, enjoy our sport, and don't be afraid to make suggestions and express your ideas to help make our Club the best that it can possibly be.

General Information

- 1) Prospective members attend the monthly General Membership Meeting where they introduce themselves. After the meeting you are taken on your Safety Seminar of the range. You will then be given your gate key and membership card. After the 2nd meeting you attend, your name is presented to the Board for approval and at the 3rd meeting you attend you will be eligible to be sworn in as a full member of the Conejo Valley Archers. You hold all privileges from the first meeting you attend but are considered on probation until your third meeting.
- 2) Safety seminars are held at the end of every monthly General Membership Meeting or by special appointment. Your key is your responsibility, and you will be charged \$5.00 for lost keys. Do not loan your key to non-members. For the safety and security of the club and its members, always lock all entrance gates immediately upon coming in and going out, except during Public Sessions and range events. The main park gate should always be left as found.
- 3) General Association Meetings are held the 4th Sunday of each month at 11:30am (NO time change for daylight savings time). Please attend. Check Facebook and website for updates.
- 4) Club Member Shoots competing for Year End Awards are also held on the 4th Sunday of each month, beginning at approximately 7 a.m. (See Club Tournament info)
- 5) Executive Board meetings are held the 2nd Thursday of each month. If you have items, you would like to have the board address, contact the club president at least one week before the meeting if possible.
- 6) Everyone is expected to help in some way. You can help by becoming a Board Member, holding a Chair position, attending one of our 'Range Beautification Days, or assisting with one of our invitational tournaments or special events. If you have a special skill (woodworking, electrical, etc.) that would be of value to the club, we ask that you help by doing so. We ask for volunteer hours per membership type, per club year, (4 directly affecting a tournament) from all members. Dependent upon your membership type you will need to fulfill your requirements or pay your Maintenance Fee per that membership. See the Membership Agreement for more information.
- 7) Our monthly newsletter, The Conejo Quiver, is a great source of news about our club and archery events throughout the state and local areas. Submissions to the Quiver must be made by the 3rd Wednesday, or the 15th of the month to be considered for publication. The editor has final say on all items.
- 8) There are also other clubs in the area that conduct various tournaments. These clubs are dependent upon our support as we are on them. Please consider attending these functions. Information can be found in the Quiver, NFAA or USA Archery websites.
- 9) You are allowed to bring a guest to the field range to shoot three (3) times in a club year (October 1st to September 30th). Guest fees for shooting on all range areas is \$5. There is no guest fee or limit for non-shooting guests, but waivers are required. You are responsible for collecting guest fees and waivers from all persons that you bring to the range. Place fees and waivers for any range in the Guest Sign-In boxes located at the Field Range bulletin board or at the Tournament Range staging area. Please sign in the Guest Book also.
- 10) Training/Certifications/Seminars are held on an as needed basis to help promote the sport. Continuing education classes and opportunities including shooting seminars, JOAD Program, Adult Pin Program, Instructor trainings and unique events are announced in the Quiver or by email. Some Instructor courses may be paid for by the club.
- 11) It may be to your advantage to join the National Field Archery Association (NFAA), the California Bowmen Hunters and State Archery Association (CBH/SAA) or USA Archery (USAA). These organizations promote the sport of archery through legislation and training and may offer various magazines and newsletters. You may receive discounts at shoots that will more than offset the cost of your membership, as well as group insurance. Membership may be required for certain sanctioned tournaments. See our links pages for all website connections.

General Restrictions and Agreements

Our range is located on Ventura County Park land, even though it is ours to use as a private archery range. The range is not open to the public, but to members and their guests only. Consequently, there are some important do's and don'ts that we must all follow. Failure to follow these rules can jeopardize our lease!

- 1) NO HUNTING ANYWHERE ON RANGE!!
- 2) No broad-heads or blunts shot on range, except at the broad-head area using your own personal target bag.
- 3) No overnight camping or open campfires on the range except by permit/permission.
- 4) No shooting of firearms or crossbows allowed on the range.
- 5) No dogs allowed on the range at any time!
- 6) No one except club members shall be allowed to have a key to the gates, and each member is responsible to see that the gate is securely closed and locked upon entering and exiting the range.
- 7) No wandering off of the range onto adjacent property is allowed. Our lease of the park property is restricted to the range area only.
- 8) Consumption of alcoholic beverages is prohibited before or during any shooting activity on the practice and shooting ranges and is only permitted after a club member or guest has finished shooting for the day and only in the main kitchen picnic area. No glass bottles are allowed anywhere on the range areas.
- 9) The Conejo Valley Archers club officers, representatives, and members shall not be liable for the actions or behavior committed by club members or guests under the influence of alcohol while on club premises.
- 10) No smoking or use of vapor units are allowed anywhere on the range or any part of the county park areas.
- 11) No controlled and/or illegal substances shall be used or possessed on the range at any time.

Any violations of the above restrictions can be grounds for dismissal from the club.

Shooting Safety Rules

- 1) When looking for lost arrows on any of the range areas either place a bow in front of the target butt or have someone stand in front of the bales. Be sure that you do not stray behind an adjoining target lane. Children are not allowed behind the bales.
- 2) If there is a Range Captain running lines, follow all safety/whistle directions.
- 3) Never shoot an arrow so that you cannot see where it will land, and never shoot an arrow straight up into the air. No sky drawing!
- 4) The Field and 3D ranges are to be shot in a counterclockwise direction. Never backtrack on a range.
- 5) Never shoot a broken or damaged arrow. Be sure to check the condition of your equipment regularly.
- 6) Never attempt to show your skill by shooting at a person, or by permitting another person to hold an object that you are going to shoot at.
- 7) Never touch another person's bow, or draw another person's bow, without permission.

Remember, a bow and arrow when properly used can be a lot of fun but can be dangerous when used irresponsibly. Protect our sport by being careful and safe when you shoot on or off our range.

Club Tournament Shooting Etiquette and Rules

1. Keep the noise level down when others are shooting near you.
2. Do not whisper while someone is shooting.
3. Always load an arrow onto your bow string while holding the bow in a vertical position. Be sure that a loaded arrow always points downrange towards the target butt.
4. Stay behind shooting positions while others are shooting.
5. Always shoot from the longest shooting distance first when on a walk-up style lane.
6. Do not touch the target or any arrows until all arrows are scored.
7. Always shoot with a minimum of three (3) people in a group.
8. Bounce-in shots do not count for score except during tournaments with a specialty shot.
9. Witnessed pass-throughs are to be re-shot.
10. Interference in the flight of an arrow by brush, tree limbs, etc. will be re-shot with a marked arrow except on the 3D Range.
11. In the event of a mechanical breakdown (i.e. equipment failure), a shooter will have 45 minutes to make the needed repairs to their equipment. Four (4) arrows may be shot for practice before resuming their round. Targets missed during repair time will be made up at the conclusion of shooting under the supervision of tournament officials.
12. No coaching is allowed during any tournament.

Target Scoring

Field Targets (white-faced targets) - Four arrows are to be shot from white stakes. An arrow must touch the line to count for the higher score. Score five (5) points for center black area, four (4) points for center white rings, and three (3) points for outer black rings.

Hunter Targets (black-faced targets) - Four arrows to be shot from red stakes. An arrow must break the line to count for the higher score, Score five (5) points for center white area, four (4) points for center ring, and three (3) points for outer ring.

- **Young Adults** (15 thru 17 years old) shoot from the adult stakes.
- **Youth** (12 thru 14 years) shoot from the light blue stakes when the adult stakes are more than 50 yards.
- **Cubs** (11 years old and under) shoot from the black stakes.

3D Animal Targets – One arrow is to be shot from a single stake for all divisions.

FITA Targets – Score 1 through 10 points from the outer white concentric circles through to the center gold. Tie breakers will be determined by gold X shots

Shooting Styles for Competition

Freestyle Unlimited - allows for use of virtually all types and styles of equipment and aids, including mechanical releases, movable sights, scopes, long stabilizers, etc.

Freestyle Limited - same as Freestyle (Unlimited) above, except that mechanical releases are not allowed.

Barebow - No sighting devices or mechanical releases allowed. String walking (or multiple anchor points) is allowed.

Bowhunter Freestyle Unlimited - must use fixed pin sights that cannot be adjusted during a tournament. Length of stabilizer limited to 12" maximum. Mechanical releases are permitted.

Bowhunter Freestyle Limited - Same as Bowhunter Freestyle (Unlimited) above except that mechanical releases are not permitted. Fingers may be protected by gloves or finger tabs.

Bowhunter - No sights or mechanical releases. Length of stabilizer limited to 12" long. Must use a single anchor point and string walking is not allowed.

Traditional Bowhunter - recurve, long bows, and self-bows only. No sights, stabilizers, mechanical releases allowed. Single anchor point only.

If you are not sure what style you fall under just ask.

CVA Club Tournament Information/Scoring

Club Shoots are held on the fourth Sunday of each month. All shooting shall stop for our monthly General Meeting. Year-End Awards include: The Club Champion 'Perpetual Trophy' is given to the member with the highest aggregate scratch score for the year. Champion belt buckles are given to the members with the highest total of five handicap scores in Traditional and Freestyle forms. The Fred Leven Memorial Award is given to the Golden Ager (age 63 and above) with the highest total of three handicap scores. The President's Award is given to the member making the greatest contribution to the club for the year, and Range Record Trophies are awarded for each style and division (highest scratch score).

Handicap Scoring

For the purpose of CVA club competition, you will receive an unofficial handicap score to help even everyone out. Our October "Fun Shoot" does not apply to your handicap. Scoring for the new year will start over again fresh from the first club shoot held every November. Your handicap will be applied to the third score that you shoot during the club year. Assuming you compete in each club shoot, you would receive a handicap at the completion of the third shoot in January. Your handicap is determined by taking the average of your three scores and subtracting it from 80% of a perfect score, which is 560. That handicap is then added to your third score. Your handicap is then recalculated each month you shoot. As an example, if your three scores add up to 1200. Your average for the three would be 400. Your handicap would be the difference between 400 and 560, multiplied by the factor .8 (80%), which is 80% of 160, or 128. Your handicap score would therefore be 528.

If you are a NFAA member you will receive a Handicap Card with your membership. By shooting approved Qualifying Rounds such as we shoot each month at our Club Shoots, you can record scores that will allow you to shoot in tournaments against equal competition in "A", "B" and "C" classes. Without a handicap card (or enough qualifying scores) you will be required to shoot in "A" classes or Guest Classes.

To establish a handicap, you must have a minimum of two scores recorded on your card within a period of one year. To get your scores you will need to shoot a 28 target Field Round, a 28 target Hunter Round, or a combination of 14 Field and 14 Hunter targets at an official tournament. The club tournament chairman will record these scores on your card.

If you have questions regarding scoring or handicapping, please see the club tournament chairman.

Club Activities

All club activities are done to support the club and its members

Monthly Club Shoot – 4th Sunday of every month running from November to September

300 Rounds – held most every Saturday during the Public Sessions starting at approximately 10 am.

Monthly General Meetings are held the 4th Sunday of each month at 11:30am. All members of the club should come and participate, discuss and approve decisions that affect the organization of the club.

Executive Board Meetings are held the 2nd Thursday of each month. If you have items you would like to have the board address, contact the club president at least one week before the meeting if possible.

Fun Shoot/Banquet – October – Morning Fun Shoot tournament and afternoon Club Awards Ceremony and Banquet

Invitational Tournaments are held during the year at our range. Club members are allowed to shoot in these invitational shoots if they also help to prepare and clean-up for these events.

Range Beautification Days are held the 1st Saturday of even months and as needed.

Tournament Preparation Day is held the day before one of our invitational tournaments. Help is needed to set up targets on the range and prepping the kitchen and stage areas. Emails are sent out to notify everyone when needed.

Field Target Pasting Parties are announced through emails to all members. Public Session target pasting is done at the range.

Special Events held continuously throughout the club year are to benefit our club members and the public and to promote our sport. Let us know if you have an idea for a presentation.

Open Public Sessions are held every Saturday on the range from 9 am -1 pm, rain or shine. Range fee donation is \$5/person. Check our website for closures. Date and time to be adjusted as needed.

Private Parties – Available to members or public. Arrangements must be made in advance with the Private Party Organizer.

Public Session BBQ – Occasional party events open to the public and our members. All meat served has been forested by club members for people to experience the taste of fresh game and introduce them to the sport of hunting with a bow.

J.O.A.D./Adult Pin Programs – See following details attached.

The USAA J.O.A.D. Program

Junior Olympic Archery Development (JOAD) is a program of USA Archery that teaches archery to young people, provides great opportunities for awarding achievement, and helps archers to enjoy the sport recreationally or progress to the excitement of competition! JOAD programs like our Saturday Public sessions offers archers the opportunity to learn range safety and proper shooting technique in an environment that also fosters focus, increased self-confidence, and team building skills. We teach the fundamentals of proper shooting form and as the archer develops, they will learn more advanced techniques. The word archer is used inclusive of all archers and para-archers.

What does a JOAD Membership do for me?

A JOAD membership is open to any youth archer aged 8 to 20. Membership allows you to participate in the JOAD Pin Achievement Program (see info below) and also gives you the opportunity to participate in USA Archery sanctioned JOAD tournaments.

Tournaments

Both recurve and compound bows are used in club activities and in tournaments. JOAD archers who use a compound bow can train to compete in local and regional tournaments and can earn a seat on a youth world team to compete in other countries representing the United States on behalf of USA Archery. Recurve archers can compete likewise, with the added benefit of being able to use their recurve bow to try out for a spot on the US Olympic Archery team which is selected and managed by USA Archery.

JOAD Pin Achievement Program

A JOAD Membership also allows you to participate in the Pin Achievement Program. JOAD Star Pins are awarded for scoring achievements. JOAD archers can earn Stars Pins for shooting indoors and/or outdoors with recurve and/or compound bows. Each Star Pin is a distinct color, and each has a successive number of stars on it to represent the increasing challenge in earning that particular award pin. In order to allow the greatest flexibility in terms of indoors/outdoors, recurve or compound, each pin can be earned in a variety of ways.

In addition to Star Pins, JOAD archers can earn the official "6-Gold" pin when they shoot six 10's in a row, either in a single 6 arrow end, or in two consecutive 3-arrow ends. JOAD Archers can earn advanced levels of recognition with the Olympian Award Levels - Bronze, Silver and Gold. An archer reaching these levels is honored with special recognition from USA Archery.

The J.O.A.D. Program at CVA

We hold weekly training sessions for those interested in “upping” their archery game. Our JOAD Team works towards competitions and include training in Mental Management and equipment repair. We also offer various seminars throughout the year.

Archers are recommended to the program by a certified CVA Coach, through our Public Session events. Contact any Coach to find out more about this excellent training program.

JOAD membership is not a membership in the Conejo Valley Archers Club Inc. and does not allow for any gate access with a key.

Continuing requirements for full CVA membership are set to remain in the program.

Conejo Valley Archers Inc.
Chartered by the National Field Archery Association

Junior Olympic Archery Development Membership Application

J.O.A.D membership allows participation of the junior member listed below (ages 8-20) in the J.O.A.D. Achievement Pin Program. This is not a membership in the Conejo Valley Archers Inc. club. Permits range access only for J.O.A.D. sponsored events with no gate key access. Saturday range fee is still required for non CVA members. Pin fees are not included. Also includes the monthly CVA club e-mailed newsletter. Custodial signature required for participation. This program also requires a US Archery membership that must be completed on their website.

Adult Archery Pin Program

The Adult Archery Program is a program of USA Archery that allows adults to learn proper shooting technique, achieve awards based on score, and pursue competition if they wish, during a series of classes taught by a certified coach or instructor. The word archer is used inclusive of all archers and para-archers.

Similar in scope to USA Archery's Junior Olympic Archery Development (JOAD) program, the Adult Archery Program is a logical "next step" for adult archers pursuing this lifetime sport. In addition to receiving clear instruction and coaching via our National Training System, membership in the program provides unique benefits to adults, including the opportunity to make new friends, a great workout, the chance to build self-confidence, and learn team-building skills. Through our system of rewarding excellence, students have the opportunity to earn awards for their scores, which become progressively more challenging to achieve, as the archer's skill level increases.

Archers using recurve, compound and traditional bows are welcome to join the Adult Archery Program, and competitive divisions are offered for each. Archers who use a recurve or compound bow can pursue competition in local, regional and USA Archery national events, and can also participate in the organization's USAT Qualifier Series in hopes of earning a spot on the United States Archery Team (USAT) or Para-USAT. Compound and recurve shooters can also work toward qualifying for a World Cup, Pan Am Games or World Championship team; recurve archers have the added benefit of using their bow to participate in the Olympic Team Trials, which is also facilitated by USA Archery. Whether your interest in archery is purely recreational, or an Olympic, Paralympic or World Championship dream, USA Archery's Adult Archery Program is designed to help you pursue all that archery has to offer.

When do I participate?

We run our Adult Archery Program every Saturday during our Public Sessions from 9 am – 1 pm. Membership in the club is not required and a CVA membership does not qualify you for the program. It is a program within itself that we manage through the club, which is supported by US Archery.

What does it cost?

A one-year membership for the Pin Program is only \$10 payable to CVA. Your membership starts from the date that you sign up. The fee helps to cover additional costs for the program. There is a small charge for your lanyard and each pin that you achieve. All range fees still apply if a non-member. You also need to become a member of USA Archery as they are the supporting group for the program. See their website info below.

How do I get started?

Just talk to any of the coaches during the Public Sessions and they will direct you how to get started!

Conejo Valley Archers Inc.
 Chartered by the National Field Archery Association

Adult Archery Pin Program Membership Application

Adult Archery Program membership allows participation of the adult member listed below (over age 20) in the Adult Archery Achievement Pin Program. This is not a membership in the Conejo Valley Archers Inc. club. This permits range access only for Adult Archery Program sponsored events with no gate key access. Saturday range fee is still required for non CVA members. Pin fees are not included. This also includes the monthly CVA club e-mailed newsletter. A US Archery membership is also required to participate in the program and can be completed on their website.

Coaching Policy at Conejo Valley Archers Inc.

Purpose:

The purpose of the Conejo Valley Archers (CVA) Coaching Policy is to define and regulate coaching on CVA premises. These policies have been developed to promote a safe archery environment, comply with all laws/lease obligations, and promote archery in line with the CVA mission statement.

Conejo Valley Archers Mission Statement:

The mission of the Conejo Valley Archers is to foster the growth of the sport of archery by maintaining a facility for family-oriented events, and by promoting skill and sportsmanship through educational outreach, for all ages and abilities.

Definitions:

Coaching: A teaching, training or development process via which an individual is supported while achieving a specific personal or professional result or goal.

Group Lesson: A teaching session in which three (3) *or more* pupils work with one or more archery coaches.

Guest: A guest is a non-member who is accompanied by a member of CVA.

Individual Lesson: A teaching session in which two (2) *or less* pupils work with a single archery coach.

JOAD: Junior Olympic Archery Development (JOAD) is a program of USA Archery that teaches archery to young people.

Member: A member of the CVA Club. This includes all CVA membership types.

Non-Member: A person on the range who is not a member of the CVA club.

Public Open Sessions: Saturday sessions when the CVA JOAD range is open for public instruction and participation in archery.

Senior Coach: A USA Archery Certified Level 3 or higher coach that volunteers during CVA's Public Archery Sessions.

Section 1: Anyone who instructs or coaches at CVA must be approved by the board of directors. A completed Request to Coach Form must be submitted to the Board for approval along with any necessary waivers or information requested. The board of directors may grant or remove the rights of a coach at any time. The Board of Directors' approval is granted in one (1) year timeframes. Renewal of an approval is required September 1 each year. Individuals coaching junior members shall have a signed medical release on their person at all times if a parent/guardian is not present. Instructors under 18 years of age cannot instruct on the range except while under the supervision of senior coach.

Section 2: Member coaches must ensure that all invited coaches and/or nonmembers follow all rules as set by the By Laws of the Conejo Valley Archers Club. All coaches should promote good sportsmanship.

Section 3: Individual Lessons – with approval as stated in Section 1.

Coaches or Instructors conducting individual lessons are required to hold a USA Archery Level 2 or higher certification, or equivalent in experience.

A. Members teaching members: Members are encouraged to teach other members. Financial compensation for coaching/instructing fellow members is discouraged. The CVA member coach is responsible for informing the board of directors that he/she is giving lessons via a Request to Coach Form.

B. Members teaching non-members: Same as A. above and including Financial compensation amounts for CVA range use and dispersal thereof will be determined by the board of directors. Coaches are responsible for providing the use fee and waiver form from the non-member and to turn it in at the guest kiosks at the range.

C. Non-members teaching members: Non-member coaches may be invited by a CVA member to teach. The CVA member is responsible for informing the board of directors that the coach is giving lessons with a Request to Coach Form with waiver form attached. Requirements are the same as B. above and including:

The CVA member is responsible for providing or obtaining a waiver form and collecting the use fee from the non-member coach to be turned into the guest kiosk at the range.

D. Non-members teaching non-members. Same as C. above and including:

The coach and student must be accompanied by a CVA member in good standing while present on the range.

Section 4: Group Lessons – When approved as stated in Section 1.

Coaches leading group lessons are required to hold a USA Archery Level 3 or higher certification or equivalent in experience. All member/non-member category requirements as described in Section 3 are applicable.

Financial compensation amounts for CVA range use and dispersal thereof will be determined by the Board of Directors when the agreement for the lesson is approved.

Section 5: Public Archery Sessions

CVA opens the Public Session range for Public Archery Sessions each Saturday morning for the purpose of introducing the general public to the sport of archery in a safe, controlled manner. These sessions provide new archers instruction on proper shooting technique and range safety.

Public Session Coaching: Public Open Session instructors/coaches are volunteers and are not paid for their services. To instruct during these sessions, a minimum of a USAA Level 1 Certification is required along with a completed Safe Sport Program certification. Board approval is needed.

Archery Links

There are many other organizations that we can recommend that a membership would be beneficial to you and our sport. The following organizations support archery through programs, tournaments, training and or legislation that help make it possible for us to continue to shoot safely and to support laws that allow us to enjoy our sport. These are just a few to check out!

National Field Archery Association (NFAA)

Our club is chartered by the NFAA as are many clubs across the nation. The NFAA is a non-profit corporation dedicated to the sport of archery. The NFAA was founded in 1939, and now consists of fifty chartered state associations and more than 1,100 affiliated clubs. It is a member of the International Field Archery Association and a national allied organization of the National Archery Association (NAA).

The NFAA is dedicated to the conservation and preservation of game and its natural habitat. The organization is very active in cooperating with federal and state agencies and sportsmen and conservation organizations. It is resolved to foster, perpetuate and preserve "the use of the bow in accordance with its ancient and honorable traditions."

The NFAA hosts National Championships, Sectional Indoor and Outdoor Championships and sanctions State level tournaments and thousands of club shoots. Popular league programs and mail matches are also sanctioned by the NFAA.

The NFAA operates a liability insurance program for affiliated clubs, state associations and pro shoots. Members receive four issues of its magazine, Archery. The NFAA Certified Instructor Program as well as shooting and equipment clinics and shooters schools are accessible in all 50 states. Many awards for skills, service and membership may be earned by meeting benchmarks.

NFAA members may compete at USAA National and Regional events and USAA members may compete at NFAA National and Sectional events.

Visit their website at <http://www.nfaa-archery.org/about/info.cfm>

California Bowmen Hunters and State Archery Association (CBH/SAA)

This organization is dedicated to promoting and protecting archery and bow hunting rights in California. This statewide non-profit organization speaks for California archers and bow hunters in matters concerning legislation and regulation since 1943. It encourages and promotes target, field, and 3D archery through local, regional, state and national tournaments.

It supports the California Archery Foundation which provides for the historical preservation of the sport establishing The California Archery Museum. It offers multiple scholarships to individuals and clubs for instructor and hunter safety training, youth outdoor camps and equipment. Since 1962 the CBH/SAA Big Game Club has recorded and maintained accurate records of California big game and small game bow hunting trophies.

Visit their website at <http://www.cbhsaa.net/>

Southern California Archery Association (SCAA)

NFAA - National Field Archery Association is the organization at the national level. Our club is a NFAA certified club.

CBH/SAA - California Bowman Hunters/ State Archery Association is the organization at the state level.

SCAA - Southern California Archery Association is one of several regional organizations at the local level.

The Southern California Archery Association is one of several local regions in California, Region CA63, acting as a liaison between archers within the organization. The NFAA is the national organization and the CBH is the state organization affiliated with the NFAA. Every archer in California has an opportunity to be heard at the state and national levels through the local associations. Discussions at the local, state and national level include shooting rules, archery equipment, bow hunting regulations, tournaments, record keeping, club charters and safety. Every year representatives from all the local regions meet to discuss and vote on what becomes the state and national shooting and tournament rules.

In the Southern California area, you become a member of the SCAA when you join a club in this region. Clubs within the SCAA include Conejo Valley Archers, DC Archery, Pasadena Roving Archers, Santa Ynez Valley Bow Club, South Bay Archers, TLC Archery, Traditional Bowhunters and Verdugo Hills Archers.

Every archer is encouraged to join the NFAA and CBH/SAA organizations. All archers are welcome, and every style of archery is supported. Whether you prefer a traditional bow, a compound high-tech bow, and everything in between you are welcome. Hunters, non-hunters, paper target aficionados, adults, youths and children are representative of the organization's members.

USA Archery (formerly NAA)

USA Archery is the National Governing Body for the lifetime sport of target archery, serving all age levels and abilities. Membership is required for tournament competition and access to coach insurance coverage. They support youth archery through their Junior Olympic Archery Development (JOAD) and Archers with Disabilities Programs, which include the Indoor, Outdoor, Field, JOAD, National and World Events. They support club, state and regional tournaments and of course the Olympic, Pan American and Para Olympic teams of the United States Archery Team. They provide for educational programs for coaches, judges and archers including the Safe Sport program which helps raise awareness about misconduct in sport, promote open dialogue, and provide training and resources.

National Development opportunities include the Junior Dream Team and Resident Athlete Programs. USA Archery members enjoy a host of membership benefits, including the ability to compete in sanctioned events, the opportunity to gain a national ranking, insurance benefits, and newsletters. USAA supports our CVA J.O.A.D. Programs.

California Department of Fish and Wildlife

The Mission of the Department of Fish and Wildlife is to manage California's diverse fish, wildlife, and plant resources, and the habitats upon which they depend, for their ecological values and for their use and enjoyment by the public. The California Department of Fish and Wildlife (formerly "Department of Fish and Game") maintains native fish, wildlife, plant species and natural communities for their intrinsic and ecological value and their benefits to people. This includes habitat protection and maintenance in a sufficient amount and quality to ensure the survival of all species and natural communities. The department is also responsible for the diversified use of fish and wildlife including recreational, commercial, scientific, and educational uses.
